PeriOptimization™

THE FUTURE OF

SURGICAL PATIENT MANAGEMENT ™

A comprehensive, all-inclusive surgical software that saves you time, money and may save a life.

OUR SYSTEM

Is like no other, designed to take surgery management into the future with continuous efforts to improve efficiencies, safety and facility revenues. PeriOptimization is a fast, mission focused product capable to replace multiple software systems with one advanced turn-key solution that adheres to our guiding principles of Health Information Technology and Human Performance.

PREDICTABLE OUTCOMES

Designed by surgeons, anesthesiologists and nurses. A solution built from the ground up, that makes the job of the clinical team and support staff easier. One system with a suite of products to meet all your needs.

WE SERVE

- Hospitals
- Health Systems
- Surgical Practices
- VA & DOD Facilities
- Ambulatory Surgery Centers

VETERAN AFFAIRS

PeriOptimization has teamed with Coley & Associates (Coley), a VA-Verified SDVOSB, to provide the Department of Veterans Affairs with several ways to procure our PeriOptimization software solutions, including SDVOSB Sole Source, SDVOSB Set-Aside, and GSA Schedule Sole Source or Set-Aside. Each of these methods simplifies and speeds up the procurement process.
